

Deal Registration Program

Process:

Partner to submit a deal that meets all of the deal registration criteria specified below on the form, as determined by Axis Security in its sole discretion, will receive an approved deal registration for that deal.

Terms & Conditions:

- The opportunity is **not registered** by another Partner
- The opportunity is not being pursued directly by Axis Security at the time the Partner submits the deal registration.
- If a deal is approved, Axis Security will notify the Partner by e-mail within 24 hours.
- If a deal is declined, Axis Security will notify the Partner by e-mail and will include the reason(s) for such decision.
- **Approval Period:** At its discretion, Axis Security will extend the approval period if sufficient justification exists. Deal registration will last 90 days and can be extended after the 90 days, one time, up to 120 days per Axis Security.
- **Disputes:** Partners must submit any disputes, whether with Axis Security or another Partner, arising from this deal registration program to **channel@axissecurity.com**
